Do you have the skills to work as a Playwork Manager ?

We offer Living Wage or above and opportunities to develop further qualifications

We are a company based in North Leeds that offers its employees support and development within the childcare industry that surpasses its competitors. We are the largest provider of childcare in the area and support over 250 children a day in childcare ranging from nursery, before and after school support, play schemes, training day support and parties.

The Position: We're looking for a qualified Play Work Leader with a Level 3 qualification or above, and an understanding and qualification in the importance of safeguarding. The pay range we're offering is Living Wage or above and depends in the experience and ability of the candidate. This position can be either term time only or 52 weeks a year. We offer further training after the probationary period is complete and we also offer a support programme of senior staff to ensure you are looked after as much as possible.

The Location: The other locations of CandyStripe are based in Meanwood, Chapel Allerton, Gledhow and Roundhay. This role is based at Whinmoor St Paul's Primary school. This is a lovely school with a great heart - the Leadership Team also have a great ethic of support and collaboration.

If you are interested please call Shellie for a phone interview which could lead to a meeting to see if we can work together and continue to build a fun, exciting and educational club for children to grow and develop.

Call 07748 960 755 and ask for Shellie to start the process.
