

Welcome to Whinmoor St Paul's Nursery!

My Daily Routine!

I arrive at Nursery and hang my coat up on my peg, before changing into my pumps.

Here is my cloakroom:

Next I take my smiley face and answer the question of the day with my parent/carer.

I wave goodbye to my parent/carer and start my day with my friends and teachers.

Our Classroom

The Reading Corner:

Children love to spend time in the reading corner with their favourite books. We have story books and stories on tapes, as well as information books and lots of puppets to act out our favourite rhymes and stories!

The Construction Area:

This is our construction area! You must wear a hard hat when in this area! We have lots of different things to build with including; wooden blocks, stickle bricks, lego and lots of other things! We also have a tub of scrap materials for you to use your imagination! What will you build?

ICT Area:

Here is our class computer; we have lots of fun games! You can choose to use the mouse or pen on the big board! Maybe you'd like to get the Bee-bots or Digi-Cams out and have fun with your friends!

Role Play Area:

This is our role-play area where we can dress up and have lots of fun creating imaginary situations. This often changes in order to meet children's interests, e.g. it could be a shop, café or airport!

Water Area:

This is the water area. We have lots of different things we can do in this area. We have fun water toys such as water wheels and animals and other fun things including jelly bath and pasta!

Malleable Area

Here is where we keep the malleable materials such as play dough, salt dough and clay! We have lots of cooking resources and love to develop manipulative and fine motor skills.

Writing Area:

This is our writing area. We have lots of different coloured paper, card and envelopes. We also have diaries, clipboards, stencils and name tags as well as lots of other writing materials!

Math's Area:

This is our math's area. We have lots of number rhymes and games. Each week we have a math's challenge to complete on our challenge table!

Toilets:

This is where we go to the toilet and wash our hands! We always do this before we have our snack or dinner! It's really important to wash our hands to get rid of any germs that we can't see!

Our Outdoor Area

We love to play outside and have lots of fantastic things to do!
