

## English

The written work for the Autumn Term will be focussing on letters, biographies, narrative fiction, reports and recounts. This will be based around our class novel 'The Boy in the Striped Pyjamas'. We will also be doing writing across the curriculum linked to our History and Science projects as we begin to prepare for our assessed writing.

## Maths

This term we will be:

Place Value

Working with Negative Numbers

Addition and Subtraction Problems

Multiplication and Division

Fractions

Decimals

Percentages

Our KIRF's this term are to know the multiplication and division facts up to 12x12 and to identify common factors of a pair of numbers.

## PE

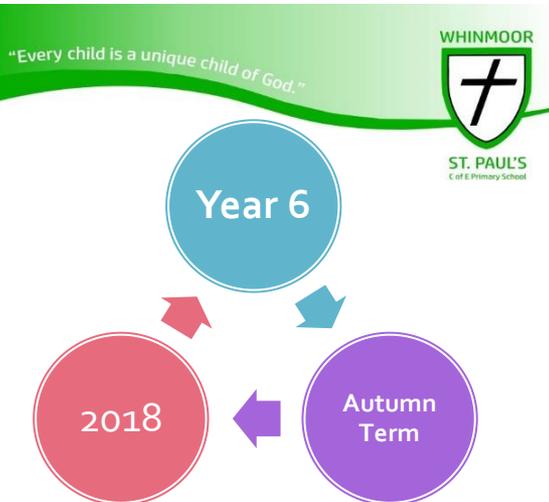

**Invasion Games**

**(football/rugby): Wednesday & Friday afternoon**

Please make sure that PE Kit is in school every day, as we may need to flexible.

## Inspiration

We have planned some exciting events across this year to give inspiration to our young writers. This term we have Roman Day and Movie Night. Dates and times will be given out next week.

## Homework

Maths will be given out on Monday to hand in the following Monday.  
Spelling will be given out on a Thursday to be handed in the following Wednesday and tested on the Thursday.  
English work will be handed out on a Friday and completed online or handed in by Monday  
The children should read to an adult at least **3 times per week**. Please record this in their diaries.

## Project (History/Geography)

Ancient Rome

We will be looking at the lifestyles and culture Roman Britain. As part of this we have our Roman Day where we will live a day in the life of a Roman, completing cross-curricular challenges throughout the day including building our own Roman Fort and Army, Roman Numerals and writing in Latin. We will also be looking at how the geographical location of Rome helped the Roman Army to flourish.

## Science

The Science topics we cover are:

-Evolution and inheritance

-Living things and micro-organisms

**RE:** Creation VS Science and the Gospel

**PSHE:** Mental Health and Physical Wellbeing.

Identity, Society and Equality- Homelessness.

**COMPUTING:**

Using word processors to communicate information.

Spreadsheets and Data handling for Science and research.

Internet Safety.

**Art:** This will be linked with our History work.

**D&T:** Mosaics, Sculpture and Pottery.
