

Art & Design

At Whinmoor St Paul's we believe that that art is a vital part of the education of all children. The child's use and understanding of the visual language of art is developed by effective teaching and a considered sequence of experiences. We provide an art curriculum which will enable each child to reach their full potential in learning in art, through investigating and making, through research and the development of skills and through their evaluation of their own art and that made by others.
