

# History

At Whinmoor St Paul's we teach History in a practical, engaging way to motivate children so they have a sound chronological knowledge of key historical events from the earliest times to present day. We aim to inspire pupils' curiosity to know more about the past through studying individuals, societies, cultures and the countries in which they lived.

History at Whinmoor St Paul's enables children to understand the complexity of people's lives, the diversity of societies and consider their own identity at the same time. We always encourage children to ask perceptive and thought-provoking questions, to think critically, weighing up evidence to help them develop perspective and judgement.

Drama and themed days are used to bring the past back to life to develop children's genuine thirst for learning.
