

School Council

How do you become a member of the School Council?

Our School Council elections happen three times a year and comprises of two representatives from each class and Miss Hamilton who meet each week on a Thursday. Pupils each nominate two people from their class for who they would like to represent their year group. After this, speeches are delivered by the candidates and a vote then takes place – living out our British Value of democracy.

Why do we have a School Council?

The School Council was established as a means to give the children a voice. We care about what our children think and want to take their opinions seriously, allowing them the opportunity to make changes in areas they feel they can develop further. The School Council raise money for charity days such as Red Nose Day, Children In Need and help raise money for school funds, such as developing our Nature Area. They have being responsible for Whinmoor St Paul's Has Got Talent, The Great School Bake Off and have even been in the local paper!
