

English

This term we will continue to develop positive attitudes towards and stamina for writing by:

- writing narratives about personal experiences and those of others (real and fictional)
- writing about real events
- writing poetry
- writing for different purposes

Class Novel: The Tin Forest

Reading: Books will be changed on Mondays and Thursdays

Please record what your child has read in the home reading record.

Science Habitats

In this topic children begin to learn about different habitats, how the living things are suited to the habitat and the interactions between the living organisms within a habitat.

We will explore the habitat by identifying things that are living, once-lived and never-lived. They construct food chains that show how living things depend on each other.

The children work scientifically by using their observations and gathering evidence to suggest answers to questions.

Geography

Where would you prefer to live, England or Africa?

During this topic we will be learning the name of the world's 7 continents and 5 oceans. We will be locating the continents on world map and globe. We will be looking more closely at Africa and finding out what it would be like to live there. We will then be making a comparison with where we live

Curriculum 2019

Year 2

Summer
Term

ART/DT

- Sewing focus

RE:

- Judaism

PSHE: Looking after the environment and Transition

MUSIC:

- The children will their voices expressively and creatively by singing songs and speaking chants and rhymes.

COMPUTING:

- Digital Media and control

Maths

This term we will focus on measures including

- Telling the time
- Length
- Volume and capacity
- Weight
- Temperature

Children will choose and use appropriate standard units to estimate and measure using rulers, scales, thermometers and measuring vessels.

We will compare and order lengths, mass, volume/capacity and record the results using $>$, $<$ and $=$

We will complete practical activities using measuring apparatus and engage in problem solving tasks.

PE

Athletics (Wednesdays)

Skipping and Team games (Mondays)

We will make the most of the summer weather to get outside for PE as much as possible. Please make sure outdoor PE kit, including suitable footwear is in school everyday.

Children need to be able to fasten their own trainers so if they can't tie laces yet we recommend Velcro fastenings.
