Collecting Children from School Policy

Every Child is a Unique Child of God

At Whinmoor St. Paul's Church of England Voluntary Aided Primary School, everything we do is underpinned at all times by the Christian ethos of valuing the individual. We believe that every child is respected as a unique child of God, the future adults in society. We believe children are gifts from God and we are privileged to work with their families and carers, to enable them to live life to the full.

Our Mission and Ethos

At Whinmoor St Paul's Primary school we believe that every child is a unique child of God and lives in a world that God has made.

We aim:

- ***To provide a safe nurturing environment where every child can achieve his/her full potential***
- ***To inspire a lifelong love of learning***
- ***To value all faiths and cultures and to celebrate diversity***
- ***To develop a sense of respect and responsibility towards self, others and the world in which we live***
- ***To build strong relationships with the local community, our city and the wider world***

And to do all this as a caring community based on strong Christian values

The Governing Body and staff of Whinmoor St Paul's Primary School take as our first priority the responsibility to safeguard and promote the welfare of our pupils, to minimise risk and to work together with other agencies to ensure rigorous arrangements are in place within our school to identify, assess, and support those children who are suffering harm and to keep them safe and secure whilst in our care.

Introduction

It is essential that the school ensures all children from Foundation 1 to Year 4 leave school at the end of the day with a safe adult. Children in Years 5 & 6 may walk home unaccompanied once parents have completed and returned a consent slip to the school office. We appreciate that for many families, arrangements need to be flexible and it may be that a few people care for the child after school. Sometimes there will be 'one-off' arrangements. For this reason we have set out clear procedures which all staff and parents/carers must adhere to.

A safe adult is someone who has been authorised in accordance with this policy to collect the child from school.

Under no circumstances should a member of staff allow a child to leave school with someone if they are showing signs of distress or anxiety.

Under no circumstance should a member of staff take a child home themselves.

Other Adults (non-parents/carers)

- Parents must give verbal permission to the class teacher/office for all adults who are not the parents or carers of the child to collect them from school. This permission must be given with a full physical description of the person (if not already known to the school) and ideally this person will be introduced to the class teacher in advance of the first collection.
- If any member of staff is unsure of the adult's identity they may ask to see identification.
- If, after checking identification, there is any uncertainty about the person(s) the member of staff should take the child to the school office and contact the parents by telephone to seek further guidance/advice, and inform a member of the Senior Leadership Team.
- If the parents/carers are not contactable then the member of staff should refer to the procedures for children uncollected from school.

Adults with court orders or restrictions in place regarding a child

- In some cases there will be adults for whom specific restrictions are in place regarding contact with one of our children.
- It is the parent/carer's responsibility to communicate this to the class teacher and to provide a full description, and ideally a recent photograph, so that staff can recognise this person if not known already.
- The class teacher must share this information with anyone responsible for dismissing the children at the end of the school day and with the Senior Leadership Team.
- Of paramount importance is the child's emotional welfare. As much as is practicable arrangements must be 'normalised' and any communication about the matter should be carefully controlled.
- The child will be discretely given a place in the 'lining up order' towards the back of the line. If the member of staff dismissing the children spots the adult with restrictions in place, they will notify another member of staff to take the child back to the classroom, without them having seen or made any contact with the person involved.
- The adult at the school door should then wait at the door to monitor the movements of this person, and seek the support of another staff member. If approached, staff will explain that as there is a restriction in place they cannot allow the child to leave in this instance.
- The adult with the child in their classroom should immediately call the school office and ask they make contact with the authorised parent/carer to inform them of the situation and to ask them to come to school as soon as possible. They should then seek the support of an additional adult in the classroom.

Child Uncollected From School

In the event that a child is not collected by an authorised adult at the end of a day, and it has not been possible to contact their parents or carers. The following procedures will be put in place:

Policy

Whinmoor St Paul's Primary School follows the Leeds City Council Safeguarding Children Board child protection procedures which allow staff to make alternative arrangements for the child's care. If there are no immediate child protection issues, staff will:

- establish the child's understanding of the whereabouts of the parent or responsible person and of the arrangements made;
- if the parent can be located, reunite parent and child and ensure adequate arrangements are in place in future;
- if the parent or responsible person seems likely to return shortly, wait with the child.

If the parent or responsible adult has not arrived within 30 minutes, the school will contact the child's emergency contact person and arrange for the child to go to them. If this is not possible, Leeds City Council Social Care will be contacted by 4.15pm. (0113 2409536)

Procedures

1. If a child has not been collected, the school will make every possible attempt to contact the parents, carers or another family member. The child may be able to indicate if there is something out of the ordinary. On some occasions another parent may offer to take a child home with them. At Whinmoor St Paul's we never release a child into the care of another adult who is not a family member or the child's emergency contact person without the consent of the parent or carer, and members of staff will not take children home with them.
2. If no contact has been made and no one has arrived to collect the child, then the duty social worker at the relevant Leeds City Council Social Care office should be contacted at 4.15pm (0113 2409536)
3. It may be necessary for the child to be taken from the school to a Leeds City Council Social Care office. If a child is to be taken then a staff member will take them by taxi or mini cab.
4. If a child has not been collected they must never be sent to after school provision. It is the responsibility of the school to try to contact the parent or pass the matter on Leeds City Council Social Care.
5. Once the child is in the care of Leeds City Council Social Care, they will take the responsibility for tracing the parents or carers. The duty social worker will make arrangements for the child to be looked after until the parents or carers can be traced.

Children Collected Late from School on a Regular Basis

Where children are collected late from school on a regular basis, the school may make a referral to the Education Welfare Service and the matter will be followed up.
