Every Child is a Unique Child of God

At Whinmoor St. Paul's Church of England Voluntary Aided Primary School, everything we do is underpinned at all times by the Christian ethos of valuing the individual. We believe that every child is respected as a unique child of God, the future adults in society. We believe children are gifts from God and we are privileged to work with their families and carers, to enable them to live life to the full.

Our Mission and Ethos

At Whinmoor St Paul's Primary school we believe that every child is a unique child of God and lives in a world that God has made.

We aim:

- ***To provide a safe nurturing environment where every child can achieve his/her full potential***
- ***To inspire a lifelong love of learning***
- ***To value all faiths and cultures and to celebrate diversity***
- ***To develop a sense of respect and responsibility towards self, others and the world in which we live***
- ***To build strong relationships with the local community, our city and the wider world***

And to do all this as a caring community based on strong Christian values

The Governing Body and staff of Whinmoor St Paul's Primary School take as our first priority the responsibility to safeguard and promote the welfare of our pupils, to minimise risk and to work together with other agencies to ensure rigorous arrangements are in place within our school to identify, assess, and support those children who are suffering harm and to keep them safe and secure whilst in our care.

The Governing Body has agreed that charges will be made for the following activities and services.

1. Educational visits

Parents and carers will be asked to make voluntary contributions to cover the cost of school visits and visits by theatre groups and workshops. The governors have agreed that if there is a shortfall in voluntary contributions received in order to fund a visit or event, it will be at the discretion of the Headteacher and visit organiser, and funding available, as to whether the visit goes ahead.

Pupils entitled to FSM will qualify for a reduction in costs on trips of 25%.

If a parent submits a request for a refund of voluntary contributions, due to pupil illness on the day of the event, this may be refunded fully or in part subject to any costs already incurred. School Fund will stand the difference in cost on these occasions.

2. Residential visits

For a residential activity that takes place largely during school time, charges will be made for board and lodging. The school will also request a voluntary contribution to ensure all transport costs can be met. If there is a shortfall of 5% then the residential

may be cancelled. For those pupils whose parents or carers are receiving Income Support, a Jobseeker's Allowance, Support under the Immigration and Asylum Act or Child Tax Credit, a reduction will be made at the discretion of the Governors. School Fund will stand the difference in cost on these occasions.

Pupils entitled to FSM will qualify for a reduction in costs on residential trips of 25%. If a parent submits a request for a refund of voluntary contributions, due to pupil illness on the day of the event, or that a child is unable to attend due to inappropriate behaviour this may be refunded fully or in part subject to any costs already incurred. School Fund will stand the difference in cost on these occasions.

3. Music instrument tuition

During the academic year 2019/20 music will be delivered in house by staff and supported by volunteers. Instruments already in school will be used for this purpose.

4. Use of the school building and grounds

The Governors will use the Education Leeds Lettings Unit to process the paperwork and recommended security checks for all use of the school premises by outside agencies. No lettings will take place without their approval. The school will adopt the following charges for private use of the school as follows but it is at the Governors discretion to reduce or increase these charges on individual lettings:

Before 6.00 p.m. in Term-Time

- a. Classrooms £ 9.00 per hour
- b. Hall £27.00 per hour
- c. Fields £ 9.00 per hour

5. Sports coaching and other activities outside of school hours

Parents and carers will be charged for activities that happen outside school hours when these activities are not a necessary part of the curriculum to cover costs.

6. School Meals for pupils

School meals cost £2.20 per day for lower KS2 and £2.25 for upper KS2 from September 2019. Payments are expected each Monday in advance for the week ahead. If two weeks pass without payment or explanation the parents will be asked to supply a packed lunch for their child until the debt is managed.

7. School Meals for visitors

The Governors have agreed to waive the cost of a school meal for any adult visitors who are working on site over the lunch period and request a meal from the school kitchen.

We have a clear duty under the Equality Act 2010 to ensure that our teaching is accessible to all pupils, including those who are lesbian, gay, bisexual and transgender (LGBT).
