

Whinmoor St. Paul's C of E (VA) Primary School

OUR VISION:

At Whinmoor St. Paul's, we believe passionately in a progressive and inclusive PE education for all children. Sport has the ability to give children many things in their lives such as fitness, self-confidence, the ability to cooperate, friendship, fun, key strength and movement skills and above all the opportunity to try and to enjoy new things.

We want every child to enjoy PE as much as possible and to feel comfortable, valued, safe and confident in a sporting environment.

The sports Premium is additional funding offered to all schools and is intended to be used to help develop sporting skills and above all, participation amongst school children. The Money comes in the form of a grant and is secured until 2020. This is a real opportunity for staff to build on their confidence and subject knowledge to teach the quality lessons the children have a right to expect. The government are supporting schools financially with this funding as it has been proven that healthier children that are more active achieve up to 40% more than those deemed less physically active or classed as obese.

September 2018 to 2019 Sport Premium Funding (£17,630)

In 2018/19 we were granted £17,630 as our Sport Premium Funding. Our identified priorities for 2018/19 were:

- Continue to improve staff skills and confidence through training and specialist coaching, with an emphasis on upskilling Early Years staff to ensure outdoor provision linked to physical literacy is a priority throughout the year
- Work with Active Schools to ensure the PE curriculum is fit for purpose, exciting, linked to improvement priorities and supports progress of all our children regardless of starting points
- Purchase Maths of the Day to ensure health and wellbeing is embedded across school as part of the wider 'Magic of Maths'
- Continue to increase pupil participation in extra-curricular sports clubs and lunchtime activities
- Continue to increase participation in school competitions including football, skipping and dodgeball.
- Purchase equipment that will support our children's performance within their lessons and when taking part in competitions
- Purchase playtime and lunchtime equipment and games, in partnership with the Parent/Teacher/Friends Association (PTFA), to support a healthy lifestyle and excellent behaviour across school
- Continue to work with families, children and the Local Authority to improve school meals and encourage children in their food choices to support their physical wellbeing

Activity/ Cost	Purpose	Proposed outcome	Cost	Impact
Active Schools Partnership across Leeds	Continue to access support and training for staff (including guidance around current legislation),	The subject leader to strengthen her knowledge, expertise and confidence in continuing to lead staff CPD, with an	Service Level Agreement £1200 Subject Leader training/ access to networks ongoing	The subject coordinator has continued to strengthen her knowledge and understanding of PE via excellent CPD provided by Active Schools. This has supported whole school development and collaborative learning city wide, in

	subject leader networking, access to competitions, festivals, curriculum development.	emphasis this year on quality assuring that assessment, monitoring and evaluation of skills in all year groups is robust and supports the progress of all our children across school.	throughout the year £1000 Leadership monitoring and evaluation time £500	terms of high quality teaching and learning.
Partner Schools scheme - Leeds Rhinos Foundation	Leeds Rhino's Foundation will continue to deliver a programme of support, building on previous skills, enhancing and developing Physical Education by the delivery of a varied menu of activity that allows our children to experience different sports and learn new skills. Teachers and support staff will continue to be given 'up-skilling' opportunities to support sharpening their knowledge and practice, to ensure children receive high quality and purposeful lessons.	Teachers and support staff continue to develop confidence, skill and professionalism in delivering excellent PE lessons; children experience different sports and learn new skills	£5000	Staff feedback evidences growing confidence in delivering PE sessions for those who have accessed Partnership support. Specialist sports' coaching of this calibre cannot be underestimated in giving children and adults experience in learning new skills and inspiring confidence in trying new sports. EYFS outcomes evidence good progress from baseline starting points in all areas including strands assessing physical development and reading and writing skills.
Maths of the Day	Use Maths of the Day as a strategic tool to link vital learning to physical activity, in order to support learning, encourage a healthy lifestyle and lots of FUN whilst	Maths outcomes continue to improve across school in terms of attainment and progress, alongside children enjoying and engaging in physical activity through cross curricular links.	£600	Maths outcomes are above National in every Key Stage. This has increased rapidly within a few years. Children learning through cross curricular links and active practical maths is something we will continue to support as the enthusiasm and enjoyment of the children is tangible.

	consolidating number facts in a new way.			
Promote lunchtime and after school clubs/training led by external consultants	Widen the range of opportunities for children to engage in a variety of sports and develop active lifestyles whilst promoting the values of fairness, respect and tolerance, based on the Gold Rules at Whinmoor St. Paul's.	Children gain in confidence and make greater progress in PE due to their increasingly active lifestyle and ability to build upon the new skills they are learning. Children are encouraged to try new sports, challenge themselves and learn to 'risk' take.	£2000	Children continue to gain in confidence and make progress in PE whilst enjoying building a healthy lifestyle around recreational activities. For instance, skipping club, dance club and football have all been offered outside of lesson times. Feedback from pupil's evidences a growing number of our children participate in sports out of school time.
Extra-curricular clubs run by school staff and funded by school	Children continue to be given daily opportunities to join in sporting activities, in a safe and secure environment, promoting team spirit, learning new skills and practising the values of respect, tolerance and the ability to listen and share.	Children have the opportunity to take part in dance, music and movement, yoga, tag rugby, football and running clubs	£1000	School continues to be club rich, including clubs run by staff, sports coaches and this year, children themselves, over the lunch time period and after school. This supports calm, purposeful lunch and break times and promotes a healthy lifestyle through physical activity. In addition, over the summer term, picnics and taster sessions have taken place for children and parents/carers visiting school to encourage healthy food choices.
Funding for resources to support high quality provision	Children have access to a range of fit for purpose high quality provision which is well resourced	Equipment is purchased as part of a rolling programme to enable all children to take part in sporting activities which are well resourced, safe and supportive, regardless of level of access	£2000 Complete collection of new mats Equipment purchased in line with rolling programme in school.	We continue to refurbish and replace current equipment alongside buying additional equipment to support lessons and playtime sports and activities.
Purchase of strips for newly formed teams, including high quality PE clothing for staff	As teams continue to form, flourish, strips purchased or replaced when necessary. Spare kits purchased to use if PE kits are not brought to school by some children. Staff have high quality and appropriate	Our children and staff are wearing fit for purpose, appropriate, safe clothing for sporting activities.	£500	We continue to purchase strips, bibs and other appropriate clothing to ensure our teams are dressed correctly and appropriately for their chosen sport. This ensures safety and encourages Team Moral.

	PE clothing to wear whilst out of school accompanying the new teams to matches			
Transport	Transporting children to sports events/festivals	Children are able to access sports and visit venues that they would be out of reach without transport.	£2000	Coach hire to support external competitions and training including skipping competitions, dodgeball and football has ensured all our children who wish to, can take part. Pupil Premium and families who may be facing hardship are supported with additional discounts or travel for free. Children are encouraged to take part in additional outdoor adventurous activities at sites away from school, such as Kingswood, Boggle Hole and Lineham Farm.
Running Track	Continue to develop the school field, to ensure it is safe for children to take part in running, athletic and team activities, leading to the development of a running track on the field to support children being physically active each day	Children are able to practise team, athletic and running activities and take part in track events on a daily basis within school	Running track resourced, Management of the field to support a variety of sport's activities continually taking place, across the seasons. £2000	Issues around drainage on the school field continue to negatively affect moving forward in developing a complete running track. However, ongoing maintenance work to ensure that the field is drained and marked out to enable children could to use it to take part in sporting activities, including running and athletics means that the field can be used for several months. Additional funding, raised by our PTFA continues to be spent to spent ensuring the 'Nature Area,' is set up in such a way that children are able to take part in physical activities such as exploring outside areas and orienteering in different areas of the school grounds.
Total Cost			@£17,800	@ £17,800

September 2019 to 2020 Sport Premium Funding (£17,650)

In 2019/20 we have been granted £17,650 as our Sport Premium Funding. Our identified priorities for are:

- Continue to improve staff skill and confidence, particularly those members of staff who are new to the school or changing year group/leadership or responsibility, through training and specialist coaching, with an emphasis on upskilling these colleagues to develop knowledge, experience and grow skills for themselves and the children they are responsible for
- Work with Active Schools to continue to ensure that the PE curriculum is fit for purpose, exciting, linked to improvement priorities and supports progress of all our children regardless of starting points
- Ensure a new fit for purpose scheme to support staff to deliver high quality lessons is purchased – this is aligned to National Curriculum and ensures coverage and progression across all targeted areas
- Continue to purchase Maths of the Day to ensure health and wellbeing is embedded across school as part of the wider 'Magic of Maths'

- Continue to increase pupil participation in extra-curricular sports clubs and lunchtime activities
- Continue to increase participation in school competitions, particularly football, swimming and skipping – both within school and as part of competitive sporting events
- Purchase equipment that will support our children's performance within their lessons and when taking part in competitions
- Purchase playtime and lunchtime equipment and games, in partnership with the Parent/Teacher/Friends Association (PTFA), to support a healthy lifestyle and excellent behaviour across school
- Continue to work with families, children and the Local Authority to improve school meals and encourage children in their food choices to support their physical wellbeing
- Continue to ensure that the Nature Area is managed and developed so that it supports wellbeing and develops confidence and self-esteem within our children. This will include training key staff in 'Forest School' strategies to make the most of our school outdoor areas to promote active healthy lifestyles.
