

English

The children should develop positive attitudes towards and stamina for writing by:

- Reading and writing stories – with a focus on character description and settings.

Spelling: Word lists are sent out each week, to be practiced at home ready for a test on a Thursday.

Reading: There will be an opportunity to change reading books on a Monday, Wednesday and Friday.

Science

Power of Forces

During this topic the children will identify that magnets attract some materials and not others and that these are known as magnetic materials. They will learn that some metals, but not all, are magnetic and that all nonmetals are non-magnetic. They will learn that magnets have two poles and that two magnets will attract or repel each other, depending on which poles are facing.

Maths

This term we will be learning to:

- Count from 0 in multiples of 4, 8, 50 and 100; find 10 or 100 more or less than a given number
- recognise the place value of each digit in a three-digit number (hundreds, tens and ones)
- compare and order numbers from up to 1000
- Identify, represent and estimate numbers using different representations
- Read and write numbers up to 1000 in numerals and in words
- Solve number problems and practical problems involving these ideas

RE: Incarnation – What is the Trinity?

The children will be able to identify the difference between a 'Gospel,' which tells the story of the life and teaching of Jesus. The children will also be able to describe how Christians show their beliefs about God the Trinity in worship and in the way they live.

PSHE: Transition/Friendships

MUSIC: New Music scheme

COMPUTING: Text and Graphics

PE

Tag rugby/football (Mon/Fri)

Please make sure that PE Kit is in school every day, as we may need to flexible.

History and Geography

Vikings and Settlements

Throughout this topic we shall discuss ideas associated with invasion and settlement, sequence Viking raids correctly on a time line and use pictures and other sources to find out about the Viking way of life.

Art and Design

This term Art and DT will be taught through our Viking Topic. The children will have opportunities to explore Art through creating Viking artefacts and exploring ancient art including Viking runes. The children will design and make Viking shields and create patterns through weaving.
