

“Every child is a unique child of God.”

Reception Weekly Home Learning – Week Beginning 27-04-20

| <i>Monday</i> | <i>Tuesday</i> | <i>Wednesday</i> | <i>Thursday</i> | <i>Friday</i> |
|--|---|---|--|---|
| <u>Learning Challenge</u> | <u>Learning Challenge</u> | <u>Learning Challenge</u> | <u>Learning Challenge</u> | <u>Learning Challenge</u> |
| <p>Play a board game with someone in your home. I have put Snakes and Ladders in the resource pack if you would like to use one of your own that is fab too. Take turns and practice counting on and reading the numbers or spots on the dice.</p> <p>Play Dragons Den (in the popular games section) and feed the words to the dragons on Phonics play. new.phonicsplay.co.uk (You will need to type the web address in as the link does not work, sorry) Play level phase 2 revise all to begin with then move to Phase3 when confident.</p> | <p>Play phonics noughts and crosses. Draw out a grid and write a letter, digraph (2 letters, 1 sound <i>sh</i>), trigraph (3 letters, 1 sound <i>igh</i>) or tricky word in each part of the grid. Take it in turns to name what is written in the grid. If you say it correctly you can add your nought or cross in that square. You can change what is in the squares to make it easier or harder.</p>  <p>Complete games on Numbots. How many stars and coins can you collect?</p> | <p>Play a listening game. Collect a selection of objects that make sounds from around the house. Cover your eyes with a blindfold and ask someone to make sounds with the objects collected. Can you work out what the object is without looking at it? Can you describe the sound? Load, quiet, soft, crunchy.</p> <p>Do the phonics sentence challenge. Can you find the different phase 3 sounds in the words? Then challenge yourself to write some of your own. Remember to take care with your handwriting.</p> | <p>Use the story picture prompt cards to create your own story. Choose one card from each group (characters, items, setting) and make up a fun, scary or magical story. If you are feeling super confident you could have 2 characters or 2 items. Can you draw or write some details of your story?</p> <p>Look at a range of different packages found around the kitchen. Discuss with someone in your home what would make it stand out to a customer. Can you design a package for your favourite treat?</p> | <p>Use a dice to work on your addition of 2 single digit numbers. Complete the 'add with dice' activity. Roll the dice two times and add the numbers together. You can use counters to support you. Find that number on the sheet and record your number sentence.</p> <p>Complete activities on Teach your monster to read. How many Trickies can you find? What new sounds have you learnt Today? (login details on letter in pack)</p> |

Additional Challenge for the week

My 2020 Covid 19 Time Capsule (full pack on the documents section in a file on its own)

With support from your family complete sections of the time capsule to record the way you look, feel, and the things you are thinking about at this time. When things are back to normal we will look back at this time and this way we can keep a record of all the things that we did to keep positive and keep safe.
