			their books. Give them some of the examples on the sheet they will then write the work under the bin or the buried treasure depending if it is a real word or nonsense. They usually do this in class. Use these drawings to help them decide over the next few weeks if some other words they come across are real words or not.	you can and put it all into your purple book.

Project Challenge for the week

Log into www.nightzookeeper.com

Go to Main Menu and select 'lessons' tab – complete the lessons set. There are 4. Remember to save your work so that I can publish it and reward you with orbs! Some people have not been completing the work or **publishing it**. Show off all of your amazing writing skills!

A Teddy Bears picnic

We will explore a variety of picnic foods and where they come from, before designing, creating and evaluating our own picnic snacks.

1. Read the information page on picnics and photos from picnic over history. Talk about the pictures what can you see?
2. Can you improve your sandwich instructions of Night Zookeeper?
3. Can you draw and design this?
4. Can you make a plan of other things you would like at your picnic? What would you eat or drink? What activities would you do? Where would it be? In your garden or living room?
5. With an adult make your sandwich and have your picnic at home or in the garden?
6. Write a Diary entry about your picnic. Who joined in? How was the food? What games did you play? Take some pictures if you can and put it all into your purple book.
