

“Every child is a unique child of God.”

WHINMOOR

ST. PAUL'S  
C of E Primary School

Dear Parents/Carers

This year all children at Whinmoor St Paul's are invited to take part in Race for Life. As we know, so many families are affected by cancer and this is a wonderful opportunity for us, as a school, to raise money for Cancer Research UK.

This event is taking place on Tuesday 12<sup>th</sup> July 2022 and begins at 9.15am, concluding at 2.45pm. Every year group will have a 30 minute time slot to complete the 3k race on the field. Children are able to walk or run for the 30 minutes time slot and we let them all know that this is not a 30 minute race 'against' each other, but a 30 minute race 'together' to raise money for a vital cause - Cancer Research UK. Of course, there is no expectation that the whole 3k is completed. This is about children taking part, doing their best and enjoying themselves, whilst raising money for such a worthwhile cause.

A sponsor form is attached to this letter and this needs to be sent back to school with all sponsor money by Friday 15<sup>th</sup> July 2022 at the latest. We also have a school Just Giving page, which you can also add any donations to. <https://fundraise.cancerresearchuk.org/page/whinmoor-st-pauls>

On Friday 8<sup>th</sup> July 2022, the children will bring home with them their badge and they can write on the back why they are taking part or who they are taking part for. This then needs to be stuck onto the back of your children's t-shirt's ready for their start.

Please ensure that your children bring hats and sun cream. Ideally, cream should be applied before children come to school. All children must wear their full PE kit which is a white t-shirt or if they wish, a pink t-shirt (for Race for Life), black shorts, trainers, hair tied up. Sweatbands or hair bands etc. Other sports wear is not permitted.

All children should also bring a full plastic water bottle as we hope for the sun to join us!

Good luck getting as much sponsorship as possible for this worthy cause.
