C of E Primary School

Thursday 11th January 2024

Dear Families

This half term we will begin running 'booster' sessions for some of our Year 6 children, in preparation for the SATs the children will take in May. The aim of the sessions is to provide support and practise for children to consolidate their skills in core subjects and to support them in areas which they may feel less confident in.

These sessions will take place on Tuesdays after school. The first session will begin on Tuesday 16th January and will be from 3.15pm to 4.15pm.

Previous experience of these sessions has shown us that they have been extremely beneficial in supporting children's learning and confidence levels. If your child is able to attend the sessions, please complete the form below and return it to us by **Monday 15th January**.

Thank you for your support.

Yours Sincerely

Mrs Wallis
