

## English Writing

This term, the children will be exploring Grandad's Island and writing their own adventure stories. They will also be exploring recounts and writing their own recount about a woodland walk.

In preparation for the Phonics Screening Check, we will also be recapping and further embedding our phonics knowledge, with additional blending practise.

## Reading

Our class novel this term is:

- The Hodgeheg by Dick King Smith

## Science:

### Growing and Cooking

Children will learn:

- Where food comes from and how it is grown.
- About asking simple questions and recognising that they can be answered in different ways.

## RE

Children will explore the question:

### Islam

- Who is a Muslim and what do they believe?

## PSHE:

### Fun Times:

- Children will explore special times, in different cultures, active playground games from around the world as well as sun safety.

Music: Charanga music scheme  
Summer 2 – Reflect, Rewind and Replay

Computing: Teaching Computing scheme  
Summer 2 - Data Handling/Statistics

## D&T:

Children will explore a variety of foods and where they come from, before designing, creating and evaluating our own picnic snacks.

## PE:

PE days will be Monday and Tuesday, where we will be doing dance and Commando Joe's. Please ensure children are in PE kit and have a named water bottle in school.

## Maths

This term Year 1 will be learning about:

- **Multiplication and Division**
  - solve one-step problems involving multiplication and division
- **Fractions**
  - recognise, find and name a half as one of two equal parts of an object, shape or quantity
  - recognise, find and name a quarter as one of four equal parts of an object, shape or quantity.
- **Position and Direction**
  - describe position, direction and movement, including whole, half, quarter and three quarter turns.
- **Place Value within 100**
  - count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number
  - count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens
- **Money**
  - recognise and know the value of different denominations of coins and notes
- **Time**
  - measure and begin to record the following:
    - hours, minutes, seconds

**Please remember to practise the KIRFs everyday – little and often is best!**

## Geography

Children will explore the question, 'What is in our local area?'

This term in Geography, our topic is Our School. Children will be learning about routes on a map and our school features. We will also look at the local history of our school.
