Every Child is a Unique Child of God

At Whinmoor St. Paul's Church of England Voluntary Aided Primary School, everything we do is underpinned at all times by the Christian ethos of valuing the individual. We believe that every child is respected as a unique child of God, the future adults in society. We believe children are gifts from God and we are privileged to work with their families and carers, to enable them to live life to the full.

Our Mission and Ethos

At Whinmoor St Paul's we believe that every child is a unique child of God and lives in a world that God has made. We believe that all adults and children should be given opportunities to '**Let their Light Shine.**' We have a loving, caring community, underpinned by our Christian ethos, in which everyone, regardless of our differences, feels valued, nurtured and secure.

OUR VISION...

- To promote the development of secure, happy, well-adjusted individuals who are equipped for lifelong learning

At Whinmoor St Paul's Primary School we believe that every child is a unique child of God and lives in a world that God has made.

OUR AIMS ARE TO...

- Provide a safe, happy and nurturing environment where every child can achieve their full potential
- Provide a curriculum which is knowledge-rich, wide, progressive, purposeful & connects to our community & the world we live in
- Enable each child, through fostering high expectations, to grow and develop intellectually, physically, spiritually, and morally in order to enable him/her to achieve their potential
- Develop attitudes which will be positively helpful to the individual child, the whole school and to society in general, valuing all faiths and cultures
- To build strong relationships with the local community, our city and the wider world

And to do all this as a caring community based on strong Christian values.

The Governing Body and staff of Whinmoor St Paul's Primary School take as our first priority the responsibility to safeguard and promote the welfare of our pupils, to minimise risk and to work together with other agencies to ensure rigorous arrangements are in place within our school to identify, assess, and support those children who are suffering harm and to keep them safe and secure whilst in our care.

UNDERLYING PRINCIPALS AND AIMS

- To provide parents/carers with an opportunity to actively participate in their child's learning.
- To provide information about their child's progress and regular opportunities for consultation.

- To provide regular information on the day to day activities of the school.
- To provide an open door policy which will enable access for parents to address their concerns to the Head teacher or Class teacher.
- To maintain effective communications between home and school.
- To support the work of Parent Governors.
- To facilitate parental participation in the organisation known as 'Parents Teachers Friends Association'.

FIRST CONTACT WITH NEW PARENTS/CARERS

The school makes every effort to ensure that both parents/carers and children have a well-informed and positive start to their time at Whinmoor St Paul's.

a) Nursery sharing children's achievements – 'Two Stars and a Wish Report' shared with parents on the child's Tapestry journal. These are completed by the teacher four times a year (end of first half term in nursery, then at the end of each term). The report celebrates two things the child has achieved and one next step/target for the following term.

b) All staff greet and welcome pupils and their parents/carers at the start of each session. To develop a positive caring relationship, Key workers 'chat' to parents/carers about their child. This generally includes, information about a child's needs and interests, learning at home and in nursery, children's achievements and next steps. When asked for, it can also often involve giving advice and helping parents to support their child's holistic development at home.

c) Reception admission policy (Whinmoor St Paul's Admission Policy)

During the child's Early Years Education clear home/school links are crucial to the child's ability to gain from the learning environments of home and school. As can be seen from the above policies the Early Years Team make every effort to support and encourage both the parent and the child; encouraging involvement in the school that is for the benefit of the child. As children develop and grow more independent it is inevitable that there is less daily contact between staff and parents. It is important that the relationships forged in the early years are built on and that clear communications are maintained.

SHARING THE CHILDREN'S ACHIEVEMENTS

Families are welcome to:

- Celebration Assembly Friday's 9am, productions, drama/Art festivals, Sport's Day, Come and Read with Me sessions, Festive Concerts, Nativities, Consultation Evenings, Quick Start Meetings and Meet the Teacher events.

Family Consultation evenings are held in:

- AUTUMN TERM - To give the parent/carer the opportunity to discuss their child's progress and targets for the academic year

- SPRING TERM - to give both teacher and parent the opportunity to review the child's progress and discuss any support that the child may need either in the classroom or at home.
- In the Summer Term - A detailed written school report is discussed with parent/carers at a consultation evening. At this meeting your child's teacher for the next academic year is available to discuss expectations. The report is then taken home.
