Top Tips

The secret to success is practicing **little** and **often** and use time wisely. Can you practice these KIRFs while walking to school or during a car journey? You do not need to practice them all at once; perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use practical resources -

- Number treasure hunt around the house or in the garden.
- Play hopscotch and count as you jump forward and then down as you return
- Thread pasta; count to 10 as you thread them on and count back as you take them off
