AT WHINMOOR

Welcome to Wellies at Whinmoor

Wellies at Whinmoor is a subsidiary of Wellingtons Nursery. We are a private Before and After School Club provider who work with Whinmoor St Paul's Primary School to deliver wrap around care for children and families in the school community.

Our dedicated team is committed to creating a safe, nurturing, and engaging environment where children can thrive outside of regular school hours. We offer a variety of activities, from arts and crafts to outdoor play, ensuring that every child finds something they love.

Our partnership with Whinmoor St Paul's Primary School allows us to seamlessly integrate our services into the school community. We understand the importance of reliable and quality care, which is why our staff undergo comprehensive training and are passionate about fostering a supportive and inclusive atmosphere.

Parents and guardians can rest assured that their children are not only being looked after but are also engaging in enriching experiences that contribute to their social and emotional development. Whether it's helping with homework, playing team games, or exploring new interests, Wellies at Whinmoor is dedicated to making a positive impact in every child's life.
